

Serving Communities and Families

SFC 2.3 Describe health and safety concerns relating to community and family services.

That's My Job Activity

Activity 13-Assessment

The teacher will reproduce and cut apart "Job" cards so that each student has a card. As the teacher reads each statement below the; students will hold up their card and say "That's my Job!" if the statement pertains to them. Discussion to follow as necessary.

It's ok to use my cell phone to make personal calls and texts.

Because I won't be leaving the city limits I don't need to buckle my seat belt.

It is ok for me to wear shorts and flip-flops to work.

When I lift heavy objects it is important that I keep my center of gravity and use my legs, not my back.

When discussing confidential information I make sure no one else is around to hear me.

I would need special permission to tell stories and/or take photos about the people at my workplace.

It is ok to give medicine to anyone at work, with or without permission.

There are special requirements for dealing with bodily fluids I may encounter on the job.

I know the code system for emergencies at my facility.

I will need to know how to work a fire extinguisher.

It is my duty to report any accidents at work.

I have to be CPR certified at my job.

I can administer basic First Aid.

Body art is ok at my job.

IPods are ok at my job.

If I am well enough to get out of bed, then I am well enough to go to work.
